Vikram Nair

vikram.nair@email.com | +91-97455 66778
Chennai, India

Skills

Docker, Kubernetes, CI/CD, Linux, AWS, Python, Git, Jenkins

Experience

DevOps Engineer at CloudNest (2020-2024). Maintained CI/CD with Jenkins, cutting merge-to-deploy time in half.
Operated Kubernetes clusters across staging and production with guarded rollouts and rollbacks.
Hardened minimal Docker images and managed registries, IAM roles, and networking on AWS.
Automated Linux host patching and log rotation with Python helpers versioned in Git.

Education

B.Sc in Computer Science, Anna University (2020)

Projects

Self-healing Kubernetes demo cluster with alerts and runbook docs.
Linux backup utility with checksum verification written in Python.
