Priya Desai

priya.desai@email.com | +91-98980 11223
Mumbai, India

Skills

Python, Postgres, ML, Pandas, sklearn

Experience

Data Analyst at FinSight (2022-2024). Built ML prototypes in Python with sklearn pipelines. Queried large ledgers in Postgres with window functions and shaped samples with Pandas. Compared ML classifiers for credit-risk tiers and wrote plain-language result summaries.

Education

M.Sc in Statistics, Mumbai University (2022)

Projects

Transaction anomaly detector using Postgres extracts and sklearn ensembles.
