Arjun Mehta

arjun.mehta@email.com | +91-97690 44556
Pune, India

Skills

Python, fast api, Postgres, docker compose, GitHub, web api

Experience

Software Developer at BrightCart (2022-2024). Built Python services with fast api behind a versioned web api.
Stored catalogs in Postgres with indexed lookups and tuned slow queries.
Ran local stacks with docker compose and collaborated through GitHub pull requests.

Education

B.Tech in Computer Engineering, VIT (2022)

Projects

Inventory web api with Postgres persistence and docker compose for local runs.
